

Leaf River Black Hawk Trails Dual Sport Saturday November 13th 2021

AMA Recreational Dual Sport Event

Tight twisty woods sections are connected by farmer's fields, access lanes and gravel roads. A loop will be approximately 30 miles long, 20 miles off-road and 10 road miles. Besides the tight single track, there are small logs to jump, creek beds to cross, rocks to navigate, and ravines to drop into and ride out of. Small displacement (0-500cc) dual sport and competition Enduro motorcycles with aggressive knobby tires are best. Larger motorcycles like Adventure Touring or street bikes even with knobby tires may be too big or heavy.

This event is run on the same route-sheet and timeclock Enduro trails that the Forest City Riders have been riding for over 60 years. The ground we ride is private land to which a long list of Leaf River IL farmers and other landowners allow us access for this one day a year. This event would not happen without them. The Forest City Riders asks all riders to respect their crops, fencing, property lines and privacy.

Bikes must be Enduro legal (headlight, taillight, and muffler)

No Lights, Too Loud, No Ride!

Starter Inspects All Motorcycles
