FOREST CITY RIDERS CLUB

The Forest City Riders is a group of off-road motorcycle enthusiasts. We love dirt bikes, and are looking for new members! Based in the greater Rockford area, we promote and ride off-road events and host open houses at our Club Grounds. We hold an AMA Charter starting in 1959, and are active in hosting Enduro's, Hare Scrambles, Dual Sports, ADV Rides, and just having fun on Trail Rides.

Our Club Grounds are located west of Freeport, near Pearl City. We have about 60 acres of wooded land that have single track trails. The trails range from beginner to advanced, are well marked, and are only one-way. Plenty of parking, porta-potty, covered picnic area, and BBQ grill (limited camping permitted). This provides a safe, controlled area for off-road motorcycles to explore and have fun. Recently we had a Learn-To-Ride Trials event that had a nationally-recognized expert teach 15 students, ranging from novice to expert. We host annual Open House's at the property to showcase the grounds as well.

We are seeking fellow off-road motorcyclists that enjoy the sport and would like to share it with their family and friends. No matter your skill level, you will find someone to ride with. We have families that are enjoying the outdoors, novice riders looking to learn, retirees dusting off their skills, and experts that professionally ride at the National Level.

If you want a fun place to ride some partners to ride with, **We Are Looking for You**
